Customer Name: Sunita Deshmukh

Order ID: ORD-931052

Product: Philips Smart LED TV 43 Inch

Complaint: Payment Failure

Customer Message: I tried placing an order for a smart TV worth ₹28,999 to Mumbai on 22/10/2024. The amount was debited from my bank via net banking, but the order status shows payment failed and auto-cancelled. Please look into this.

Support Response: Dear Sunita, we regret the inconvenience caused. Due to a temporary bank gateway timeout, the transaction was marked failed on our system while your bank processed the debit.

Resolution: Transaction status reconciled. Full refund of ₹28,999 initiated to source bank account on 23/10/2024.
