Product: Boat Rockerz 450 Bluetooth Headphones

Complaint: Delayed Delivery

Customer Message: Hello team, I placed an order on 05/04/2024 for delivery to Kolkata. The estimated delivery date was 09/04/2024, but today is 12/04/2024 and the package has not arrived. The tracking status has been stuck at the regional hub for three days. I paid ₹1,499 online and need this urgently for a trip. Please update me.

Support Response: Hello Ananya, thank you for reaching out. We apologize for the inconvenience caused by this delay. Upon checking with our Kolkata logistics facility, there was an unexpected hold-up due to a localized transit disruption. We have prioritized your shipment, and it has been dispatched for final delivery today.

Resolution: Package successfully delivered on 12/04/2024 at 04:15 PM. A convenience refund of ₹100 store credit was added to the customer account as goodwill.
