

Customer Support Ticket ORD-924156 Payment Failure and Refund

Customer Name: Sneha Kulkarni

Order ID: ORD-924156

Product: Samsung Galaxy Tab A9

Complaint: Payment Failure and Refund Request

Customer Message: Hi, I attempted to purchase the tablet for ₹13,499 on 18/01/2024 from Mumbai using UPI. My bank account was debited, but the website showed payment failed and generated reference ORD-924156 without confirming the order. Please refund my money.

Support Response: Hello Sneha, we apologize for the technical issue. Our payment gateway logs confirm that the transaction failed during processing. Since the amount ₹13,499 was debited, it will be automatically refunded to your account.

Resolution: Refund of ₹13,499 processed back to the customer bank account on 19/01/2024 under transaction reference ID UPI/401928401.
