

Customer Support Case - Payment Failure

Customer Name: Vikramaditya Singh

Order ID: ORD-720194

Product: Samsung 55-Inch 4K Smart TV

Complaint: Payment Failure

Customer Message: On 05/02/2024, ₹48,990 was debited from my bank account via UPI, but the transaction failed on your payment gateway screen and no order confirmation was generated. Please refund my amount to my account in Jaipur.

Support Response: Hello Vikramaditya, we regret the inconvenience. We verified with our payment gateway and confirmed that the amount of ₹48,990 was debited due to a temporary network issue. The refund transaction has been initiated today.

Resolution: Full refund of ₹48,990 credited back to the customer bank account on 07/02/2024.
